2. In view of our recent conversations, that the coverage of Reporting in Phase II is not satisfactory at the present time, your assistance is requested for its improvement. I specifically request that Mr. [REDACTED] handle this subject and its attendant problems in Phase II, Course 9, which will begin on 12 July.

25X1A

3. To emphasize the need for this assistance, I wish to point out that Mr. [REDACTED], the instructor presently responsible for the Reporting coverage, will be on leave from 14 June until 9 July. Thus it will not be feasible for the needed major revision of this subject prior to the next presentation.

4. It is contemplated that the time allotment for Reporting will be no different from that of Course 8. If any extension or variation is needed by Mr. [REDACTED] for his presentation, it would be deeply appreciated if the details could be communicated to me at the earliest possible date before the Course 9 schedule is made up. Your decision and that of Mr. [REDACTED] will be awaited.
